*Abstract:* The U.S. Department of Education Supplemental Information form for the SF-424 is used together with the SF-424, Application for Federal Assistance. Several years ago ED made a decision to switch from the Application for Federal Education Assistance or ED 424 (1890-0017) collection (now 1894-0007) to the SF-424, in order to adhere with Federal-wide forms standardization and streamlining efforts, especially with widespread agency use of Grants.gov.

There were several data elements/questions on the ED 424 that were required for applicants and were not included on the SF-424. Therefore, ED put these questions that were already cleared as part of the 1894-0007 collection on a form entitled the, U.S. Department of Education Supplemental Information for the SF-424.

The questions on this form deal with the following areas: Project Director identifying and contact information; New Potential Grantee or Novice Applicants; Human Subjects Research, and Infrastructure Programs and Build America, Buy America Act Applicability (BABAA). The ED supplemental information form can be used with any of the SF-424 forms in the SF-424 forms family, as applicable.
